The joining is very simple. All you have to do is complete a registration form and a direct debit mandate. In addition to your first monthly payment, an initial administrative fee of £10 per person will be payable by you directly to the practice.

What is excluded from our plan?

Although non-routine services are available from the practice, some items fall outside the scope of the plan and are not covered by the monthly payment namely:

- Cosmetic dentistry
- Referrals to specialists
- Laboratory fees
- Implants
- Orthodontics
- Advanced Gum Treatment programme with our hygienist.

Treatment not covered by this plan can be paid for separately.

What happens in an emergency?

In the event of an emergency and you are away from or unable to get to the practice you can make an appointment at any dental practice, pay for the appointment and then contact So Dental for a claim form so you can claim up to £500 for the dental emergency.

If you have any questions about our plan, please contact our reception team who will be happy to provide further information and guidance.
